

Use this form to select your subjects for 2017. The timetable will be built from your choices. The only compulsory subjects in Year 11 are **English and Mathematics**. You will be placed in the English and Mathematics classes that will best meet your needs and provide you with success. These will be determined from your results and your coursework during this year. At this stage we need you to select your four other subjects.

If you are definitely NOT returning to school next year please tick this box and return the form to your Form Teacher by Friday 9th September.

Note: You are advised to think carefully about the choices you make. Ask questions of your teachers and parents about what subjects are recommended for your potential career. If you do not have any idea what your career may be then it is important to keep your options open. You may not get all your subject choices. This may be because some subjects may not get enough students for them to run or subjects may clash on the timetable.

OPTIONAL SUBJECTS – You need **four** other subjects but you are asked to choose **SIX**. Please **rank your choices 1 – 6** so we can try and give you the subjects that you want. Please make sure that you meet the entry requirements. If you choose Science you will be put in either Science or Science Life depending on your Science results this year.

Your choices will be reviewed by the HOFs and HODs and you may be asked to review your choices.

Careers Faculty:

Pathways 11PAT

International Languages Faculty:

Spanish 11SPA

Phys Ed and Health Faculty:

Health Studies 11HES

Phys Ed and Health 11PEH

Physical Education Studies 11PES
