1. Complete the Application for Admission form and fax/post/scan to the school with the following:
 - rules for International Students signed by yourself and your parents
 - two years of full academic reports (translation and original)
 - a reference from your Principal or a teacher who knows you well
 - evidence of having studied English for at least 2 years
 - a handwritten letter (from you the applicant) telling us about yourself, your interests, why you want to study in New Zealand, and your future study and career intentions.

If accepted for enrolment, we will send you a letter of acceptance and a fees invoice for the total costs of your chosen time of Tuition, i.e. \$NZ13,000 (one year's tuition fee), \$NZ430 (Government Levy), medical and travel insurance, approx. \$NZ550 and \$N10,420 (one year's accommodation fee) etc., (according to length of stay) and details of how to pay the fees.
3. New Zealand law requires all international students to have medical insurance while staying in New Zealand. The school can arrange medical and travel insurance for you. They will be invoiced with tuition and accommodation fees. Parents may arrange insurance. A copy of the insurance policy and its English translation must be supplied before arrival in New Zealand. This policy will be checked. If deemed inappropriate, the school will arrange insurance cover at your expense. If you arrive without your policy, the school will organise cover at extra expense to you.
4. When the fees are paid we will send you an Offer of Place and a receipt for your fees. Take these to your nearest New Zealand Embassy, High Commission or immigration office. Follow their advice. Study visa application forms can be downloaded from www.immigration.govt.nz.

6. The International Director will begin your orientation programme as soon as you arrive in Gisborne. This includes a tour of the school, a test of English, assistance with uniform, advice on timetable and stationery requirements, meeting other International and New Zealand students, a bank visit (if required). Every effort is made to negotiate appropriate subjects and levels of Tuition to accommodate the best outcomes for your achievement and future pathways.

Refund Guidelines

The registration fee is not refundable.

If a student is unable to take up her place, or is unsuccessful in obtaining a student visa, all tuition fees are fully refundable, less any other costs incurred on behalf of the student.

A student who withdraws less than 7 days prior to course commencement will be eligible for a refund of tuition fees, less \$NZ500 for teaching materials and support staff costs and any other costs incurred on behalf of the student.

A student who withdraws to return home after commencement of the course may receive a part refund of tuition fees on the following basis (i) no refund on the current term and next term (ii) full refund on the remaining terms paid for, less \$NZ500 and any other costs incurred on behalf of the student.

A student who enrolls for a course of two terms or less is not eligible for any refund.

No student will be entitled to a refund of fees if (i) she obtains a change of status to permanent resident or (ii) she has her enrolment withdrawn by the Principal or (iii) she transfers to another school or (iv) she has a non-disclosed medical condition which would compromise her ability to complete her course of education.

To be eligible for any refund the student must apply to the International Director for an Application for Refund. Please read Refund Policy guidelines before signing.

Refunds will be paid to the person or persons who paid the school fees.

Refund of Accommodation Costs

Provided one term's notice in advance is given before a student leaves, accommodation fees paid in advance and not used will be refunded.

Fees Protection Policy

Rationale

The school is required to ensure that all students' fees are protected in the event that the school is unable to continue to offer tuition to international students or in the event that a student is required to return home or is transferred to another institution.

Guidelines

GGHS organises all insurance for international students with Unicare, which guarantees under Section B Additional Expenses, Section 41(d) cover for students due to "the unforeseen insolvency, regulatory closure or withdrawal of accreditation of any education provider". This policy also provides an extensive travel and medical cover.
