

YEAR 11 COURSE PLANNING FOR 2019

Name: _____

Form class: _____

Use this form to select your subjects for 2019. You may not get all your subject choices because there are not enough students for them to run or subjects may clash on the timetable.

The only compulsory subjects in Year 11 are **English and Mathematics**. You will be placed in the English and Mathematics classes that will best meet your needs and provide you with success. These will be determined from your results and your coursework during this year.

If you are definitely NOT returning to school next year please tick this box and return the form to your Form Teacher by Friday 31st August.

Note: You are advised to think carefully about the choices you make. Ask questions of your teachers and parents about what subjects are best for you and your future. If you do not have any idea what your future plan may be then it is important to keep your options open.

OPTIONAL SUBJECTS – You need **four** other subjects but you are asked to choose **SIX**. Please **rank your choices 1 – 6** so we can try and give you the subjects that you want. Please make sure that you meet the entry requirements. If you choose Science you will be put in either Science or Science for Life depending on your Science results this year.

Your choices will be reviewed by the HOFs and HODs and you may be asked to review your choices.

Arts Faculty		Rank 1-6	Social Science Faculty		Rank 1-6
